

Amendments and clarifications to Official documents

v2. 21 May 2005

Published official documents may change up until the start of the championships. This document will be continuously modified with the latest revision numbers and details of changes and will be available on the website until 26 May and on-site thereafter.

Rules

Current Issue 2.

Changes from Issue 1:

~~6.1.9 **DELETE:** The task count will be fixed at its current setting four hours before the end of the championship window, or at the beginning of the last competition day, whichever (in hours) is less.~~

6.1.9 **ALTERED TO:** The task count will be fixed at its current setting four hours before the end of the championship window.

Task Catalogue

Current Issue 1.

No Fly Zones

Current Rev. 3, 21 May 2005, included detail of NFZ14 previously omitted.

FR Instructions

Current Rev. 1, 16 May 2005

Bulletin 2

Current Rev. 4, 16 May 2005

New Concept

V4, 3 Apr 2005 Note this document will not be altered, but there are some variations from this original concept in the rules, mostly described in Bulletin 2.
